Contact has again been made with the above subject and he has given additional information regarding his proposed trip to Poland, the purpose of which was explained in the above reference.

Subject has again been contacted by Kommendör Kaptain Lilianberg of the Swedish G-2 section and he has again changed subject's plans regarding the method he will use in proceeding to Poland. Lilianberg now recommends that subject proceed as a seaman and has arranged for his signing on board a ship bound for Poland. Subject, in order to accomplish his cover, was placed in contact with a Mr. Oltin who is employed by the Sjömans Förmedling and Arbets Förmedling for Sjöfolk located at Skeppsbron 46, Stockholm. Lilianberg stated that Oltin would arrange all subject's particulars regarding his trip and he could speak with him freely as he is actively employed by the G-2 section for handling such missions. Lilianberg cautioned subject that it would be necessary to maintain extremely tight security as the Swedish Sailors' Trade Union was definitely controlled by the Communists.

Subject could give no further details regarding this latest decision of the Swedish authorities but stated he assumed he would leave Sweden on approximately May 1.

With reference to paragraph 5 of LSS 202 and the pouch material which subject was expecting to receive from the SCLR he now believes that this material has been intercepted by the Swedish authorities as he has again been notified that the material was sent from Poland and should have reached him prior to this date. Subject plans in due time to ask the Swedes for this material and we will then be notified regarding its disposition.
